

Close to the Action!

Go behind the scenes
of a modern airport.

Visit with us:

- Aircraft maintenance
- Airport fire department
- Airport equipment-hall
- Noise protection hangar
for aircraft-engine test runs
- Tower (depending on traffic)
- A bus trip across the runway

- Tour ends with delicious quiche
in the airport restaurant

Blieskasteler Friends and helpers
Guardian Angel for Children e.V.

Since February 1, 2012 there are the club, whose target is to provide comprehensive informations on Saarbruecken International Airport

The Saarbruecken international Airport, Institution and indispensable Element of the Saarland economic Life.

We want to help strengthen this function to make the establishment of carriers and the inclusion of new business and charter destinations more attractive for business and leisure travellers.

The infrastructure at the Airport Saarbruecken is well prepared

- Short distances inside Airport
- Modern Terminal
- Catering on site
- Well-known Travel Agencies
- Short turnaround times
- Quick Check-in
- Day- before Check-in
- Service for Passengers and Visitors with reduced Mobility (PRM)
- Large parking garage and places
- Line Hamburg + Berlin several times per day
- More and more charter destinations and special Flights
